We are proud to announce your PGA Golf Professionals will be conducting the “Get Golf Ready in 5 Days” program right here in Bella Vista. Scheduled to launch late spring, sign-up will begin at the Golf Expo March 18. Our professionals will show you that there are lots of ways to play by combining fun, friends and fitness. Each session will focus on the various golf skills you will use while playing. In addition to learning the basics, you will be guided onto the golf course to put your skills into action in a casual, friendly setting. For $99, we will teach you in five days all you need to know to get started playing golf. Each participant will have complimentary use of the practice range as well as five 9-hole rounds of golf including cart during the five week program.

What You Need to Bring…Just yourself, a desire to have fun and perhaps a few friends to enjoy the great outdoors. Golf clubs, balls and other equipment will be provided.

If you have ever wanted to learn how to play golf or played many years ago and gave it up, now is the time to get out of the house and see what your neighbors are talking about. For more information about the Get Golf Ready program, please visit www.playgolfamerica.com/ggr/play.cfm or stay tuned for future announcements.

Look for Your Water Rebate!

Eligible Water Customers to Receive a $20 Credit!

As a way of saying “Thank You” to our valued customers, the Bella Vista POA Water Utility is issuing a $20 rebate. This rebate will be credited on the water bill customers receive in March. This is possible because of efficiencies within the Water Utility Department, which resulted in a surplus of funds over budget in 2016.

To qualify for this rebate, you must be the owner of record on 12/31/16 and remain the owner of record as of 2/27/17.

Because Bella Vista POA Water Utility must operate completely separate from the rest of the POA, the surplus funds could not be applied to any of the many other needed improvements within the POA.

Highlands Boulevard Water Main Construction

Bella Vista POA Water Utility will be replacing 1700 feet of 12 inch water main along Highlands Boulevard, between Queensferry Drive and Hebrides Drive (northeastern intersection), likely lasting until the end of March 2017. The purpose of this project is to replace a 12 inch water main that has had multiple breaks in recent history causing temporary loss of service.

The Bella Vista POA Gift Card

The Bella Vista POA Gift Card is available and redeemable at any of our seven golf courses, pro shops, POA managed restaurants, recreational facilities or for products within our Membership offices.

Give to family, friends, employees, colleagues or clients, the gift that’s all about them. The perfect way to give them exactly what they’re hoping to buy.

We look forward to serving you and hope you enjoy the convenience of your Bella Vista POA Gift Card.
