The Committee met briefly to discuss how the valley golf courses may get impacted as a result of the initial findings from Burns McDonnell. The concepts that were discussed were the possibility of reducing the combined 36 holes of Kingswood and Berksdale down to just 18 holes. Alternatively, the possibility of keeping all of Kingswood, but reducing Berksdale down to 9 holes. Mr. Judson pointed out the surprising number of rounds that are getting played on the 9 holes at Berksdale.

The meeting concluded at 9:00 A.M.
