Bella Vista will be holding two separate events on the evening of July 3 to celebrate our independence. Both events will conclude with The City of Bella Vista’s annual fireworks display held just after dark on Loch Lomond dam.

Lakepoint Restaurant and Event Center will have a celebration with food, games and entertainment before the fireworks display. On the menu is BBQ Ribs, Fried Chicken, Grilled Hamburgers and Hotdogs with all the summer fixings served in the Sunset Room with dining both inside and on the back lawn. Attendees will also receive a drink ticket for wine and/or beer and can enjoy lawn games and a DJ playing everyone’s favorite tunes.

The party starts at 6 p.m. until the end of the fireworks show. Ticket Sales Only - $39 per ticket begins Friday, June 1. Parking passes issued with ticket sales. Bring your own lawn chairs. 5% discount with Member ID and 10% with Member Photo ID.

The Bella Vista Foundation and the Bella Vista Arts Council are jointly presenting the Blues Festival below Loch Lomond dam on Glasgow Road. The display is open to the public and the Bella Vista Police Department will be directing vehicles for parking starting at 5 p.m. Fireworks start at dusk following the concert.

The concert opens with the Downtown Live Wires at 5 p.m. until 6:30 p.m. The Downtown Livewires are based in Northwest Arkansas (Bentonville/Fayetteville), and play high-energy electric blues/rock, Memphis blues, and legacy blues. Their music is timeless and classic, always makes the crowd dance and sing along.

The Cate Brothers start at 7:30 p.m. and play until 9 p.m. or until the fireworks start (if they do an encore.) The Cate Brothers are the singer-songwriter-musician, twin brothers from Fayetteville, who play southern country rock and blues.

There will be up to five food trucks. Bring your blankets, folding chairs, coolers and relax and enjoy the show!

New 2 Golf Program
Starting in June, there will be a new golf instruction program called New 2 Golf. All the classes will be in a group setting and will be a shorter, less expensive variation of our Get Golf Ready programs. New 2 Golf is designed to introduce new golfers to the culture, skill, and fun of the game. Golf can be an intimidating sport, so the goals of this program are to introduce new golfers to the etiquette, rules, how to play, and the simple, basic swing fundamentals.

Each New 2 Golf class will be two sessions for the price of $40. Each session will last one hour and the instruction topics will include: putting, chipping and the full swing. Classes will be open to Members and Non-Members and are for men and women. PGA Professionals Gavin Smith and Alex Sanford will be the instructors for the New 2 Golf classes. If you’re interested in learning about New 2 Golf, please sign-up by contacting the instructor for your desired class.

Branchwood 18-hole Disc Golf Course
The Bella Vista POA is pleased to announce the Branchwood Disc Golf Course will open soon. Disc golf is played much like traditional golf. Instead of a ball and clubs, however, players use a flying disc or Frisbee®. The upcoming 18-hole course will utilize what was previously the Branchwood Golf Course, as well as the surrounding wooded space to provide an experience accessible to newcomers yet challenging to experienced players.

There is no charge to play the course. A high-quality disc costs less than $15, and one disc is all that is needed for recreational play. Branchwood Disc Golf Course will be an exciting expansion to the POA’s already robust and affordable outdoor recreational and fitness amenities.

Stepped-Up Lake Ranger Presence
Additional lake rangers have been hired to enforce regulations especially related to power boat sport activities on Lakes Ann, Windsor, and Lomond. The POA now requires that boats under power above idle speed with the intention of creating a wake be 150 feet from shore, dock, or other boat. For all other boats, the regulation remains 100 feet. Skiing and wakeboarding are only allowed in the main waterbody of these three lakes in designated areas in a counterclockwise pattern. Compliance with these regulations will prevent more restrictive rules in the future.
