Kid’s First Golf Bundle
This program allows up to three kids or grandkids to play golf free any time after 12 noon, on any course, on any day. The Bundle is good for 12 months and can be purchased through the Member Services office. AGGF Plan Members can add this bundle for $100 and Bella Vista Photo ID Members can add it for $200. Kids must be between the ages of 6–18 and must be accompanied by the primary or secondary card holder. Share the game you love with kids you love!

Annual Golf Green Fees
Let’s face it, you love golf. So why pay more than you have to? You may purchase your Annual Golf Green Fees at the Member Services Department, 3 Euston Road or 51 Huntley Lane.

Join the growing number of avid golfers who’ve discovered the AGGF Gold Card! With one annual purchase you can play unlimited golf, year-round on seven different courses without breaking the bank! The AGGF card may be purchased in conjunction with an Annual Seat Lease or Private Cart Registration.

Annual Seat Lease
May be obtained at the Member Services Department. The annual seat lease is for a seat or 1/2 of a cart. Any POA Member, with a current Photo ID Card, may lease a cart seat for twelve months from date of purchase. When the Annual Seat Lease Photo ID is presented at any Pro Shop, the cardholder will be provided a cart seat, based on availability. When the cardholder is accompanied by another Annual Seat Lease holder, there is no other charge. All other players wishing to ride with an Annual Seat Lease holder will pay the prevailing rental seat charge. Such fees are non-refundable and non-transferable.

Annual Private Cart Registration
May be obtained at the Member Services Department. Golf cart registration fees are valid for 12 months from date of purchase. Such fees are non-refundable and non-transferable. If a Member uses his/her private cart only at a few courses and wishes to have a POA cart seat at other courses, he/she should purchase a Seat Lease instead of a Private Cart Registration (private cart stickers would then be provided for his/her private cart). To purchase a Seat Lease or register a Private Cart a Member must:

a) Be a Member in good standing
b) Hold a current Photo ID card
c) Take private cart to Pro Shop (after registering with Member Services) for application of annual stickers.

Boat Registration Requirements
All boats on Bella Vista lakes must have current state and POA boat registration permits. All applicable state and federal fishing and boating regulations apply to Bella Vista lakes. Boat registration requirements for Bella Vista lake use:

• Copy of the current state registration certificate
• No delinquency of assessment accounts
• Current POA Photo ID card
• Proof of boat ownership (state registration is sufficient) or notarized boat lease
• Trailer license plate number if applicable

Upon completion of boat registration, boat owners will be provided a copy of Board Policy BP-2.04 and self-adhesive stickers.

---

Play More, Pay Less
Each Member can purchase one annual membership and receive half off their additional memberships in different categories. Pay full price on the highest priced annual membership, but pay just half price for all additional (per Member).

The following activity categories apply: Annual Golf Green Fees, Fitness, Pool, Tennis and the Gun Range. If you’ve already purchased an annual membership, you can still take advantage of this offer by calling Member Services.

Golf Assurance Program
The Golf Assurance Program (GAP) is an option that may be purchased with your Annual Golf Green Fees (AGGF) at a flat rate of $145. When you purchase an AGGF and elect the GAP option, if you become injured or ill, you can suspend your AGGF and corresponding Seat Lease or Private Cart Registration for up to six months. As soon as you are able to play golf again or after six months, whichever comes first, your AGGF and corresponding Seat Lease or Private Cart Registration will be reinstated. Program good until used.

For more information, go to bellavistapoa.com/gap. To sign-up, go to Express Golf Registration at bellavistapoa.com/golf or stop by Member Services.

Trafalger Road Fire Update from The City of Bella Vista
Work is progressing toward mitigating the underground fire at the former stump dump on Trafalgar Road. As the fire continues, and during what is likely to be the lengthy mitigation process, we urge residents to seek out accurate information regarding health effects from the smoke.

Following several rounds of air quality testing by the EPA, the Arkansas Health Department has released multiple statements regarding the air quality and the impact smoke in the air could have on your health. The EPA has said none of the data showed chemicals of concern in the air in the community. However, breathing in smoke from any source can always present health hazards.

The ADH recommends limited exertion during outside activity if it looks smoky outside. Those with respiratory issues should follow their doctor’s directions regarding exposure. The ADH also recommends running your HVAC system with a good, high quality air filter to help keep the indoor air clean.

Other information on health safety, air filtration, respiratory protection and more can be found on a dedicated page on the city’s website: bellavistaar.gov/trafalgarfire. This page lists chronological information dating back to the start of the fire, contact information and resources, and is updated as soon as new information is received.

Health information can also be obtained from the ADH website at: healthy.arkansas.gov/programs-services/topics/bella-vista-air-monitoring.

The ADEQ is overseeing the mitigation process. Governor Hutchinson has committed necessary funds toward putting out the fire. For questions about this situation, call the ADEQ at (501) 682-0889 or email trafalgarsite@adeq.state.ar.us.
