This is the year to get your golf game in shape! Learning how to play golf requires an instructor, just as students need a teacher and football players need a coach. The professional golf staff of Bella Vista have the knowledge and ability to prioritize the adjustments needed to give you the perfect swing. Each golfer holds a different set of skills, physical abilities and golf goals, which is why the staff believes it is imperative that students are treated as individuals. With countless years of teaching experience, the PGA and LPGA coaches carry the patience to help every student improve and achieve their dreams of better golf.

Both private and group lessons are available for players of all ages and skill levels. Private instructions are offered to students who desire a more one-on-one, personal approach to improving their game. For golfers who prefer a group setting, there are plenty of programs held right in Bella Vista!

Get Golf Ready!
In just five sessions, Get Golf Ready is designed to teach players everything they need to know. These co-ed classes will be conducted by the Bella Vista POA’s PGA Professionals, Gavin Smith and Alex Sanford. Each session will focus on various golf skills that are used while playing. In addition to learning the basics, players will be guided onto the golf course to put their skills to the test. Get Golf Ready and the more advanced Get Golf Ready 2 classes will begin in April. See page 2 for schedules.

LPGA Golf 101
We recognize that women are not one size fits all. Which is why this intro to Golf Program – conducted by Women for Women, follows the overall student-centered LPGA Integrated Performance System. LPGA 101 will guide you through a comprehensive “Welcome to Golf” 6-week program for new or relatively new female golfers. Through this program you will take your first step in your journey to learn, play and enjoy the game of golf. See page 2 for schedules.

One Day Golf School
Perfect for players with busy schedules. Sessions will cover material from putting to a full swing, providing all the “need-to-knows” in just a three-hour block. See page 2 for schedules.

Chip & Sips / Swig & Swings
These 45-minute evening clinics are for those who like to have fun. Players will learn a new skill set during each session. Drinks and games are included in these workshops. Sign-ups for classes will be one at a time, not consecutive.

Monthly / Weekly Clinics
Daytime clinics will be held during the week for 45 minutes. Each session will have a different focus, ensuring participants learn every aspect of the game. Classes will vary for beginners and advanced players. Sign-ups for classes will be one at a time, not consecutive.
“In the Leather” Clinics & Schedules
If you already have the fundamentals down and are looking to fine-tune certain parts of your golf game, sign up for one of these clinics. Each clinic will have a specific focus, so pick the ones that are right for your game. It’s much easier to practice what we’re good at than to spend time on the part of our game that is adding strokes to your score. Wouldn’t it be nice if we were “in the leather” more often?
Each clinic will have a maximum of 8 students and a minimum of 4 to conduct the clinic. Please email Hillery Sence at hillerys@bvvpoa.com to register. The cost of a clinic is $15.
