Golf Joint Advisory Committee Meeting Agenda
Wednesday, February 12th, 8:30 am at Country Club Boardroom

Invitees: Kim Carlson, Dean Collins, Mark Deihl, Mary Sinkus, Jason Loyd, Jerre Barron Jr., Darryl Muldoon, Susan Nuttall, Jim Abrahamson, Mary Riorden, Phil Spencer, David Whelchel, Keith Ihms, Alex Sanford

Absent: Ruth Hatcher, Tom Judson, Tammie Loyd,Gary Mertz

Meeting Notes
Jason Loyd called the meeting to order at 8:30 am

Special Presentations
- Charlie Teal reviewed the history of the APT tournament and plans for this year. The tournament is scheduled for June 22 through June 27
- Susan Nuttall and Dale Dyer presented the planned projects for the Friends of Dogwood & Brittany
    - Dean Collins made a motion to accept the Friends of Dogwood and Brittany plan as presented, Mark Diehl seconded the motion. The motion passed unanimously.

Staff Reports
Maintenance – Keith
- General Report
    - Keith thanked all of the support groups, Friends of the Highlands, Lads and Lassies and Friends of Dogwood & Brittany. These groups provide much needed help with items that are beyond the budget of the Golf Department and enhance the experience for the players.
    - Scotsdale & Brittany staff have been busy putting on and taking off the tarps due to the fluctuating weather. As the weather warms up, we will remove the tarps if good weather is in the forecast. It takes a full day to remove the tarps at Scotsdale - with all workers pitching in.
    - The Maintenance teams are applying the pre-emergent now. There is a tight window to get this done to be effective. Golfers may see equipment on the course even though it is carts on path.
    - Removing large stumps is on the work plan. The stumps remaining are the big ones that require big equipment. We need to let the course dry out to get the equipment to the stumps.
    - Winter projects are underway. Aerification will start in March on 2 courses. About 6 weeks later, 2 more courses will be done and Scotsdale is done in the summer. This activity helps keep our greens healthy.
    - Reflector tape is being attached to the new flag sticks in March. This should aid laser range finders in locating the pins.
- Scotsdale and Berksdale Bridge Updates
    - Berksdale Bridge
        - The bridge is ready to remove
        - We are working with the City of Bella Vista Administrator for a no rise permit required by CORP and FEMA. This may slow down the process.
    - Scotsdale Bridges on 2 & 4
        - The issue in these areas is with the supports in the creek rather than the bridges themselves
        - Permitting is in place
        - The Engineers have completed the Flow Study and are working on the Construction Documents

- Bid should be ready Mid-March
- We are targeting completion Mid-May
- The course will be rerouted during the construction as discussed in the January meeting.
- Mary asked if the repeal of some aspects of the Waters of the US law would impact our projects. Keith responded that there will be minimal impact as the permitting requirements for our projects were not repealed. Eventually, we may get some relief on smaller streams, such as the one crossing #13 on Kingswood.

Golf Operations – Darryl

- Golf Revenue Report (Refer to the Meeting Packet for full details)

- BVCC Handicap flag return changes
  - Returning the Handicap Flags at the Bella Vista Country Club can be cumbersome for those who have difficulty with stairs. A card with some private information is kept during the round and returned to the customer when the flag is returned. For guests, a drivers license is held until the flag is returned.
  - At times, the cart barn office is unattended.
  - A new procedure will be put in place:
    - The Pro Shop will ask the customer if they want to have their handicap card kept at the cart barn
    - If yes - the card will be taken to the cart barn and the flag can be returned along with the cart.
    - If no - the card will be left at the pro shop and the handicap flag will be returned at the pro shop.
  - Alternatively, after your round, ask your golf partner to return the flag and pick up the card.

2020 POA Tournaments (refer to the Meeting Packet)

- Alex Sanford reported the Tournament Schedule is near completion. All of the sign up forms have been designed and will be on the website.
- Thanks to the Marketing Team for help getting the flyers ready.
- For community tournaments, organizers can provide the sign up form to the Golf Office and they will have it uploaded.
- Be having the schedule and forms available early, it will enable the golfers to more effectively plan their seasonal schedule.

General Management - none

Board Liaisons - none

Comments from the Public

- Charlotte Harned: The steps on #8 at Brittany are hazardous. They are very slippery during damp weather and are showing signs of disrepair. Keith Ihms will look at the situation on 2/13.

Old Business

Berksdale update (Read Appendix 1 for the Announcement)

- Jason read an announcement from the POA Board that Berksdale will reopen 9 holes with a reduced maintenance plan:
  - Anticipate there will be more play due to reduced rates in the 2020 plan and this would relieve pressure on the other courses.
  - Maintenance approach

        - Fairways and roughs will be mowed to the same height on a limited schedule
        - Limited mowing of greens
        - Limited fertilizer and other products except for the greens
    - Tee Times in 'waves'
        - To reduce contention on the hill between #1 and #2 and carts returning to the club house, tee times will be in 'waves'
        - For example: Wave 1 will tee off between 8 - 9:30, Wave 2 will tee off between 11:30 - 1:00
        - This allows all players from Wave 1 to complete a 9 hole round before Wave 2 starts.
- Discussion
    - Keith Ihms:
        - Expressed concern that if golfers are not aware of the reduced maintenance, they may not have the experience they expect at POA courses
        - You may not notice the changes right away. We will also reduce watering so if it is a dry year, it will be more noticeable.
        - Indicated the maintenance level is one level below what is currently being done. This reduction of $50,000 is necessary to pay for the Bridge Support Repair project at Scotsdale.
    - Darryl Muldoon:
        - Said 98% of guests play 18 hole rounds and Berksdale will not be advertised on Golf Now limiting guest sign ups. The Pro Shop will be trained to inform customers of the reduced playing conditions.
        - This is a place that the 9 hole leagues can play instead of Brittany.
    - Mary Riorden
        - Can you play 18 holes? Darryl: you can if wait for the 2nd wave
    - Susan Nuttall:
        - Expressed concern about how the lower standards would impact the overall perception of our course.
        - Questioned the need for these holes based on our continuing trend of fewer rounds being played.
        - Noted that the condition of the cart paths and sand traps are already below the standards of the other courses.
    - David Brandenburg (POA Board)
        - Mentioned this would be a place for the 9-hole groups in order to free up tee times on the 18-hole courses for guest play. Guest play makes up 25% of our golf revenue.

Member Rounds discussion

- The committee was challenged to come up with ideas on how to improve member rounds. This was a brainstorming sessions where ideas are gathered, but not evaluated
    - Offer groups for kids and parents
    - Encourage members to join groups
    - Promote parent/kid play, events, etc.
    - Invite 1 person a month to play
    - Have special winter rates
    - Once Top Golf is open, offer a special to Top Golf customers at member rates
    - Offer a Sr. rate over 75 yrs with further reduction for over 79 yrs

- Offer a discounted rate for 9 holes in the afternoon when there is availability on the course
- Let people play 9 in Charity Tournaments
- Shift from individual to group play
  - Improve signing at Tanyard Creek
  - Promote groups that welcome to players
  - Market in the newsletters about groups
- Shift new/infrequent players from Brittany to a regulation course
  - Tips for making the transition from lessons to golf
  - Designate one course once a month in the afternoon as a 'Relaxed Round'
  - Sponsor a mini-Golf Expo mid eason
  - Have a representative at the New Member seminars
- Basic Marketing
  - Golf is more affordable than ever
  - Market directly to those who are close to the break even for a seat lease or annual pass.
- For Low Handicap players - Difficult Course set up once a month on one course to encourage play beyond groups. Invite a friend.

New Business

Next month's challenge question: Yardage Posts

- Are they needed?
- Is there another approach that looks better and doesn't impact maintenance?
- What have you seen at other courses?

Announcements

Golf JAC Regular Meeting – Wednesday, February 12th at 8:30am in Boardroom at BVCC

The meeting was adjourned at 9:45 am.

Appendix 1- Announcement of reopening of Berksdale

The reopening of Berksdale North was recently debated at length by the Board, given our financial constraints. The current plan is to reopen Berksdale North using a "wave" tee time system (explanation below). With the new 2020 Plan Fee Schedule, we are planning to see an increase in the number of rounds played by our membership and by reopening this course it will hopefully relieve some pressure on the other 18 hole courses. We should all be optimistic that rounds will increase, but there is no way to accurately forecast what is actually going to happen.

In reopening, it was also decided that it would reopen on a "minimally maintained" plan. Which means the following:

- Limited mowing of the greens, cut height will be raised, we will not use rollers, all of this will result in slower green speeds
- Fairways and roughs will be cut at the same height, cutting will be done on a limited weekly basis
- Except for the greens, we will use limited weed control chemicals, this means we will see more weeds on the course
- Fertilizer use will be limited to the greens, this means the fairways and roughs will not look as good as they normally do
- No topdressing and no aerification

Approaching it with a minimally maintained plan will result in a savings of $49,000.

It is understood that the above steps will result in a reduced quality of playing conditions, but only at Berksdale North. We want to make sure we set expectations for our membership with regards to the playing conditions they can expect to see this year at Berksdale North.

2020 will be a year of transition. We will find out a lot during the year with regards to the impact the 2020 Plan Fee Schedule will have on the number of rounds played in our community. While no vote has been taken by the Board, the Board wants to be completely transparent that 2020 may be the last year of play for Berksdale North. The deciding factors on this decision will include the number of rounds played in 2020, if Berksdale North sustains any additional damage from flooding, plus other unforeseen factors. There is also no guarantee that Berksdale North will remain open the entire year. For example, if the course were to be further damaged by flooding, it may make sense to permanently close the course before the end of the season. There could be other factors that lead to the decision to close Berksdale North before the end of the year but as of now at least the course is scheduled to reopen In the Spring (actual date TBD, targeting April 1).

Wave format example (times are estimated and might need slight adjustments):

Wave 1:

- First tee time 8:00
- Tee times will go off at 8min intervals for 1.5hrs or until 9:30
- No new tee times from 9:30 until 11:30

Wave2:

- First tee time 11:30
- Tee times will go off at 8min intervals for 1.5hrs or until 1:00
- No new tee times from 1:00 until 3:00

Pro-Am Registration

Cooper Communities NWA Charity Classic Pro-Am

Bella Vista – Country Club Golf Course, Tuesday June 23, 2020

Entry Fee: $450 per team (3 Players per team). All Teams will be paired with an APT Player.

You may register as a single ($150 entry) and be paired by the tournament director. The purchase of a Pro-Am team ($450) or individual player ($150) is eligible for charitable tax deduction under IRS code 501(C)3, Bella Vista Foundation EIN 45-3690216, in an amount to be determined.

Entry fee includes invitation to the Monday evening Pro-Am party and Silent Auction, tee prize, green and cart fees, on-course beverages and prizes for winning teams.

*Additional Pro-Am party and Silent Auction invitations
may be purchased for $35.00 each.*

Start Times: Shotgun Start at 7:30 am and 1:00 pm, rain or shine.

Pro-Am Format: Modified Scramble format will be played. The Pro will play his own ball while the Amateurs will play a 3-Person Scramble. Teams may use the Pro's drive. The best score on each hole from either the Pro's or Amateur's ball will be the Team score. Men 59 or younger will play from the Yellow tees. Men 60-74 will play from the White tees. Men 75 and older will play from the Red Tees. Women 74 or younger will play from the Red Tees and women 75 and older will play from the Gold Tees.

Entry Deadline is Friday June 19th. Due to assignment of many teams to the tournament sponsors, the number of teams/players is limited. Entries will be accepted on a first come with payment basis.

Complete this form and mail, along with payment to: Bella Vista Foundation, PO Box 5261, Bella Vista, AR 72714 (checks payable to Bella Vista Foundation). Please duplicate this form to register multiple teams.

Legacy Sponsor:

Highlights from 2019

Cooper Communities NWA Charity Classic

For 2019, each of the 5 designated charities: Bella Vista Sunrise Rotary Club, Boys & Girls Club of Benton County, Bella Vista Animal Shelter, Bella Vista Courtesy Van and Village House, contributed items for the Silent Auction and recruited Pro-Am Tournament Teams. The charities collectively received $4,615 for these efforts. The designated charities also received a distribution of tournament net proceeds of $30,000 ($6,000 each). The Foundation will retain a reserve of a portion of the net proceeds for future events.

Charlie Teal, president of the Bella Vista Foundation praised the volunteers who welcomed the APT players to the tournament in Bella Vista, saying: "We have an amazing group of enthusiastic volunteers who donated their time to ensure that the APT players experience a first-class event. This third year of the tournament was our best yet."

Tournament Champion:
James Nitties

72 Hole Score: 267
21 Strokes Under PAR

The 2019 Tournament Event along with the Pro-Am Party, and Pro-Am Tournament, brought in sponsor revenue of over $100,000, expenses of $50,000 with net proceeds of more than $40,000.

$30,000 in grants went to local charities:

- Boys and Girls Club of Benton County
- Bella Vista Courtesy Van
- The Bella Vista Animal Shelter
- Bella Vista Sunrise Rotary
- Village House
