The assessment increase passed. Job one now is for the Board and Staff to quickly work getting the streamlined fee structure and the new assessments into place for a March 1 start.

“We want to thank everyone who helped make this vote happen. Volunteers spent countless hours talking to their neighbors, making phone calls and even posting banners in our community. We appreciate each and every one of them.” ~ Ruth Hatcher, Board Chairperson

With the passing of the assessment increase, if a property owner purchases a $30 Activity Card, they will enjoy unlimited use of our lakes, pools, beach, fitness/recreation facilities, range balls, green fees at Brittany Golf Course and entrance to the gun range without paying a fee. Additionally, property owners will enjoy 10% off their food purchases at BV Bar & Grill and Lakepoint with their Activity Card. Property owners can contact Member Services for more information.

Golf Fest / Demo Day
Saturday, April 11 | Tanyard Creek • 10 a.m. - 3 p.m.
Tanyard Creek Practice Center, 10 Nature Trail Lane
It’s time to say goodbye to those old clubs and hello to the 2020 golf season. The Bella Vista Golf Fest is a FREE event open to all golfers throughout Northwest Arkansas. The top golf manufacturers will be showcasing their newest equipment. They will have expert fitters along with launch monitors to help fit for the optimal ball or club selection for each individual golfer – ensuring that golfers are playing with the proper equipment.

Flightscope X3 at Tanyard Creek
Tanyard Creek Practice Facility has taken club fitting and lessons to the next level. The new addition of FlightScope X3 uses an innovative combination of 3D Doppler tracking and image processing for the most accurate tracking technology ever seen. This is helping the golf Pros give the customer precise feedback on a part of their game that needs help and club fitting to make sure the customer has the correct equipment. Take your game to the next level and schedule a club fitting or get set up for a lesson using the X3. For information contact Hillery Sence at: hillerys@bvvpoa.com or call (479) 855-8133.

Lasering the Flag
Golfers know too well the frustration of “lasering a flag” and hitting the tree or fan in the background! We have added reflective tape to the flagsticks on Dogwood just below the bottom of the flag to help lasers “shoot” the pole and not the background. Golfers may need to retrain their instinct to shoot the top of the pole by aiming a bit lower to hit the tape. If this proves to be helpful we will install them on all POA golf courses.
