Custom Club Fittings - FREE
Whether you are looking to get fit for a driver, irons, putter, golf ball or anything else, we have experts that will help find the right golf equipment for your game.

Fitting is a process in which a trained fitter creates a set of clubs that are perfectly matched to your swing. To do that, every aspect of the club is studied—from head and shaft to grip, loft, lie angle and feel.

Fittings are important for every golfer. In fact, the less skilled player actually have less ability to make the necessary compensations for poorly fit equipment. If you strike the ball too close to the heel or toe of the club, or the sole bottoms out on the heel or toe, your clubs might be too long or short for you. So get fitted from anyone of the Bella Vista Professional Golf Club Fitters.

Golf Lessons
This is the year to get your golf game in shape! Learning how to play golf requires an instructor, just as students need a teacher and football players need a coach. The professional golf staff of Bella Vista have the knowledge and ability to prioritize the adjustments needed to give you a great swing. Each golfer holds a different set of skills, physical abilities and golf goals, which is why the staff believes it is imperative that students are treated as individuals. With countless years of teaching experience, the PGA and LPGA coaches have the patience to help every student improve and achieve their dream of better golf.

Both private and group lessons are available for players of all ages and skill levels. Private instructions are offered to students who desire a more one-on-one, personal approach to improving their game. For golfers who prefer a group setting, there are plenty of programs held right in Bella Vista!

Algae and Weed Control
We are experiencing some issues with filamentous algae on Loch Lomond and Lake Avalon this year. Spot treatment of algae is ongoing. Some rooted vegetation (southern naiad and parrot feather) is already present on Loch Lomond due to our extremely mild winter and clear water. Two chemical treatments have already taken place. Additional treatments are likely throughout spring and summer. As the season progresses, algae issues tend to subside as rooted vegetation becomes the bigger issue. Loch Lomond received 2,000 grass carp in 2019 and an additional 1,550 this spring to combat this problem. Our goal is not to eradicate vegetation as it provides nursery habitat for game-fish. We do want to keep it away from boat docks and navigation channels.

US Coast Guard Boater Safety Class
The annual US Coast Guard Boater Safety class has been canceled. Those needing the course can take an online version for a fee by going to www.boat-ed.com/arkansas/

Kids Fishing Derby - August 7
The kids fishing derby originally scheduled for May 16 has been moved to August 7 at the pond behind the Metfield Clubhouse. Local children between the ages of 3 and 15 are welcome to participate. POA Membership is not necessary. Parents do not need a license but must not aid children in reeling in fish. Participants must provide their own bait and tackle. The event starts at 8 a.m. and runs to noon. Registration starts at 7:30 a.m. at the pond. Call the lakes department at (479) 855-5068 with any questions.

The Marina at Lakepoint
- Monday: Closed
- Tuesday – Thursday • 8 a.m. – 4 p.m.
- Friday, Saturday, Sunday • 9 a.m. – 6 p.m.
We offer a full-service marina for Members and their guests including boat and kayak rentals, hunting and fishing license sales, live bait, tackle, gas, snacks and convenience items. Note: Guests who want to rent a boat or kayak must be accompanied by a Member or show a guest card. At this time pontoon and fishing boat rentals are limited to immediate members of your family.

Additional POA Lake & Park Rangers
Three new lakes and parks rangers have been hired and are fully trained in anticipation of the summer boating season. Two additional rangers are returning for the summer season. A primary responsibility will be to patrol our larger lakes such as Loch Lomond, Windsor, and Ann for wake violations. Additionally, they will provide patrol at Blowing Springs RV Park, The Marina, and a general increased presence across Bella Vista. We hope that increased ranger presence will quell violations and vandalism so that more restrictive actions can be avoided.

Outdoor Pools & The Beach at Lake Avalon are Open
After a long spring of limited activities, we’re excited to announce the outdoor pools at Kingsdale and Metfield Park and The Beach are open:

So how’s this going to work? There’s no way around it --- it’s a different world! In keeping with the Arkansas Dept. of Health’s directive on reopening, several restrictions will be in place. We ask that you review the following and plan accordingly.

• Each individual pool at Kingsdale and Metfield Complex will have limited capacity to insure safe social distancing of 6 feet between non-family members.
• All pools will have specific timeslots to maximize the number of Members we can serve.
• The timeslots will be for 2 ½ hours with 30 minutes in-between to disinfect and clean the facilities.
• The timeslots will be first-come, first-served.
• Pool timeslots available:
  11 a.m. – 1:30 p.m. (Closed for disinfecting and cleaning 1:30 – 2 p.m.)
  2 – 4:30 p.m. (Closed for disinfecting and cleaning 4:30 – 5 p.m.)
  5 – 7 p.m.

• Physical distancing of 6 feet will be enforced between people in all pool areas including in the water. Family members may sit and enter the pool together. Chairs between groups will be appropriately spaced and not all Members may have a chair.
• Physical distancing will be enforced in entry lines, waterslides and the concessions area.

Anyone with the following characteristics will not be able to enter:
1. Have had a fever of 100.4°F or greater in the last 2 days;
2. Have a cough, difficulty breathing, sore throat, or loss of taste or smell;
3. Had contact with a person known to be infected with COVID-19 in the previous 14 days.

It is recommended that people may wish to refrain from entering if:
1. They are 65 years of age or older;
2. They have underlying health conditions including high blood pressure, chronic lung disease, diabetes, severe obesity, asthma or weakened immunity.

The Beach at Lake Avalon will enforce the same social distancing guidelines as the pools. We will manage both the sandy area and the water for the directives listed above. We ask that Members be respectful of other members and stay for a maximum of 3 hours.

Beach Hours:
Saturday / Sunday 10 a.m – 7 p.m.
Monday – Friday 11 a.m. – 7 p.m.
