Overall Condition:	Tiree Park is in good shape. Bathrooms still closed. Port-A-Potty needs to be serviced
Areas for Review:	None at this time
Member Interactions:	None
Additional Observations:	There was a group enjoying the water and shade on a very hot day. Doubt they were members. The license plates gave them away (Missouri). Ten to fifteen. Peaceful.

## POA REC-JAC Amenity Report

Amenity: Loch Lomond Recreation Complex

Committee Member: Jan Dobbertin

Review Month/Date: June 2020/June 7, 2020

Overall Condition:	The park is in good condition, nicely groomed, as usual. The water supply by the pavilion has a bowl for water for the dogs not being taken to the dog park. The pavilion and gazebo are clean and trash barrels recently emptied. The dog park was empty on the day I was there but the fenced area inside with new grass is doing well. The area around the faucet has been landscaped in order to keep mud down and looks very nice. There was a young man doing batting practice on the ball diamond. Restrooms still closed.
Areas for Review:	There is a good sized limb down by the gazebo.
Member Interactions:	Not many members there during my visit. A few walkers were there, maybe three or four, scattered throughout the trail.
Additional Observations:	As usual, the staff has the park looking great. Even with the maintenance staff stretched during the spring and summer, they do an amazing job keeping this as a beautiful amenity.

## POA REC-JAC Amenity Report

Amenity: Gun Ranges

Committee Member: Gary Griffin

Review Month/Date: June 6<sup>th</sup> 2020

Overall Condition:	Pistol/Rifle Range – Things are going well according to Royce, our onsite employee. Numbers have been consistent. Trap and Skeet - Numbers are growing. Carrol said COVID took its' toll early on.
Areas for Review:	Trap and Skeet - Carrol thinks the Port-A Pottys can be removed.
Member Interactions:	None
Additional Observations:	Trap and Skeet - Gary's observation - The range looks like it is running Windows 98. If so, update. Hasn't been supported for many years.

Amenity: Metfield Complex

Committee Member: Chris Stockman

Review Month/Date: June 2020
