Bella Vista is part of the Firewise USA program—a wildfire safety, education, and prevention program partnered with the Arkansas Department of Agriculture’s Forestry Division. Firewise helps tailor prevention and education efforts to the wildfire needs of each area of the state. The Bella Vista Fire Department initiated this program partnership and the POA is working with the BVFD to communicate the benefits of this program to all residents.

The Main Messages Are:

- Homeowners should create defensible space (area directly surrounding structures) so homes are more easily protected from wildfire.

- Defensible space is lean, clean, and green. A lean space has mowed, short grass; trees trimmed of branches six feet from the ground; and maintained landscaping that does not touch roofs or windows. A clean space is cleared of debris such as vehicles, yard toys, tools, and other material that could be flammable. A green space is free of dead vegetation including leaves, pine needles, sticks and twigs. Aim to have a home surrounded by only healthy, live vegetation because it is less flammable than dead, dry debris.

- Defensible space acts as a barrier between homes and forested or wildland areas. Consider anything that could transfer fire between homes and surrounding vegetation a wildfire hazard.

The Primary Objectives of the Forestry Division Are:

- Educate homeowners about the importance of defensible space.

- Train and educate fire departments and communities about how to prevent wildfires and wildfire damage.

- Work with communities throughout Arkansas on their Firewise USA education needs.

- Manage the grant funds and paperwork associated with recognizing participating Firewise USA sites.

We will continue to provide information on this program. For further information contact Jason Bowman, Fire inspector, BVFD, at (479) 855-8270.
FREE Custom Club Fittings

Whether you are looking to get fit for a driver, irons, putter, golf ball or anything else, we have experts that will help find the right golf equipment for your game.

Fitting is a process in which a trained fitter creates a set of clubs that are perfectly matched to your swing. To do that, every aspect of the club is studied—from head and shaft to grip, loft, lie angle and feel.

Fittings are important for every golfer. In fact, the less skilled player actually has less ability to make the necessary compensations for poorly fit equipment. If you strike the ball too close to the heel or toe of the club, or the sole bottoms out on the heel or toe, your clubs might be too long or short for you. So get fitted from any one of the Bella Vista Professional Golf Club Fitters.

Golf Lessons

This is the year to get your golf game in shape! Learning how to play golf requires an instructor, just as students need a teacher and football players need a coach. The professional golf staff of Bella Vista have the knowledge and ability to prioritize the adjustments needed to give you the perfect swing. Each golfer holds a different set of skills, physical abilities and golf goals, which is why the staff believes it is imperative that students are treated as individuals. With countless years of teaching experience, the PGA and LPGA coaches carry the patience to help every student improve and achieve their dreams of better golf.

Both private and group lessons are available for players of all ages and skill levels. Private instructions are offered to students who desire a more one-on-one, personal approach to improving their game. For golfers who prefer a group setting, there are plenty of programs held right in Bella Vista!

Outdoor FitBlast Class - Mornings at Kingsdale
FitBlast – Moderate to High intensity fitness class
Tuesday / Thursday 7:45 – 8:30 a.m.
Wake up and get active before the heat of the day sets in. Join Instructor & Certified Personal Trainer, Carrie Hatfield, for this challenging outdoor interval-based class at Kingsdale Complex off Riordan Road (between the outdoor swimming pool and the playground). This class moves quickly from cardio to strength exercises to keep it fun, challenging and effective. Each class is different helping you get fit with a variety of exercises including core work, squats, cardio blasts and more. This class is best suited for those who already have a fitness base and is taught at a moderate to intense fitness level. Open to Members age 16 to adult. Youth Members 13-15 can participate with a parent who is attending the class. Please bring your own mat and water. Note: Strict social distancing of 6 ft apart will be enforced.

The classes are just $4 each for a drop-in or purchase a 10-class Universal Fitness punch card for $32.55. The punch cards are available at Riordan Hall (at the Kingsdale Complex). On the day of the class you will pay $4 at Riordan Hall and then go outside to take the class, or you can hand the instructor your punch card.

Yoga on The Beach at Lake Avalon
Come salute the sun on Monday and Wednesday mornings at the Beach at 7:45 a.m. for Yoga Flow -- a moving form of yoga with some Pilates strength work included. This class is suited for adults and teens with some prior yoga practice. Minimum age is 13 and must be accompanied by an adult if under 16. The class will be done in the sand with your own mats. Afterwards, participants can take an optional quick dip in the lake to cool down.

Note: Strict social distancing will be enforced. Instructor: Joan Glubczynski. Fees are $4. per drop-in class or you can use the Universal Fitness Card which is good for 10-fitness classes for $32.55.

Outdoor Pools will enforce social distancing of 6 feet between non-family members.
The timeslots will be for 2 ½ hours with 30 minutes in-between.
Pool timeslots available:
11 a.m. – 1:30 p.m. (Closed for disinfecting and cleaning 1:30 – 2 p.m.)
2 – 4:30 p.m. (Closed for disinfecting and cleaning 4:30 – 5 p.m.)
5 – 7 p.m.

The Beach at Lake Avalon will enforce the same social distancing guidelines as the pools. We ask that Members be respectful of other Members and stay for a maximum of 3 hours.
Beach Hours: Saturday / Sunday 10 a.m – 7 p.m.
Monday – Friday 11 a.m. – 7 p.m.

2020 Membership Drive

Together, we have provided shelter and care for over 736 dogs and cats in 2019, with a phenomenally low euthanasia rate of .95%, less than 1%, much lower than the national average.

Your generous donation will cover EXPENSES for SHELTER ANIMALS

$20  vaccination, microchip id & worming for 1 animal
$50  spay/neuter for 1 animal
$100 support necessary veterinary services

Together, we now have the ability and resources to comfort and love animals who would otherwise suffer needlessly in 2020.

Our Mission is to rescue and rehabilitate the homeless animals in Bella Vista. We provide food, shelter and medical care for animals in need until they can be adopted into loving homes. These are animals that would otherwise be left to search for food and defend themselves against predators.

When you join the BVAS, your tax deductible membership contribution will be administered properly and economically, improving the lives of our furry friends. We greatly appreciate your support.

Please mail or bring your donation to the shelter today. We would love to meet you.
