COURSE INSPECTION FOR DOGWOOD, October, 2020

Date of Visit: 11/3/2020

Name of Reviewer: Susan Nuttall

Head Golf Pro: Paul Gomez Course Super: Scott Hanson

General Appearance of Club House (include Snack Bar and Bulletin Boards): great as always. Nice selection on impulse items.

General Appearance of Course: Excellent. Recent rain helped the grass. Good roll on the fairways. Greens are a little soft and recovering nicely from aeration that was done in October.

Noted Safety Hazards (overhanging and dead limbs, holes, etc.):

- Metfield extension work is being done across from the clubhouse. Contractors are doing a good job with safety precautions.

Golf Cart (cleanliness, sand in container, sharp pencil): excellent

Operational Opportunities (per head pro or pro shop staff) limit to up to 3:

- Gary was recently promoted to the Supervisor position at Country Club. Congratulations!
- Paul is searching for a suitable replacement.
- Changed the pattern of floor indicators to enable 4 customers in the pro shop area at one time.

Maintenance Opportunities (per course superintendent) limit up to 3:

- Greens were aerified in October

Comments and Notes:

- The wall in front of the cart barn was fixed and looks great. A new capstone was installed and the wall was tuckpointed.
  - Assisted the Friends of Dogwood in preparing the field for the Monarch Meadow. The seeds were planted by FOD&B 11/3. Additional seeds will be planted in a few weeks.
  - The bathroom remodel on Brittany has been approved for ADA work.
