Date: No meeting

Subject: Golf Rounds Report for November 2022

---

November Rounds Report are as follows:

- November rounds ended at 8,870.
  - Down by 1,853 over last year's November.

Snow and cold weather played the major factor in the decrease in rounds and range buckets for the month of November. All courses were closed for two days and the Bermuda green courses were shut down for 14 days. We haven't seen cold winter weather like this move in this early as far as I can remember.

- Year to date rounds ended at 165,518.
  - Up by 2,442 over last year.
  - Members rounds ended at 110,024
    - Down by 6,399 over last year.
  - Guest rounds ended at 55,494.
    - Up by 8,841 over last year.
- Range buckets year to date 61,822 (up by 3,960).
  - November buckets 3,196 (down by 504 over last years November).

Have a Merry Christmas everyone
