Subject: Golf Rounds Report for January 2023

January Rounds Report are as follows:

- January rounds ended at 5,876.
 - Up by 1,598 over last year.
 - Members rounds ended at 4,740.
 - Up by 1,052 over last year.
 - Guest rounds ended at 1,136.
 - Up by 546 over last year.

We experienced some warmer days this January compared to last year, which in turn played the major factor in the increase in rounds and range buckets for the month. Highlands, Kingswood, and Berksdale golf courses had winter projects going on during the month of January, that is why they were closed for an extra 12 days as you will see on the Round report.

- Range buckets for January ended at 3,216 (up by 795 over 2022).
