Subject: Golf Rounds Report for November 2025

November 2025 Round Report is as follows:

- Rounds ended at 13,550.
  - Up by 1,401 over last November.
  - Members rounds ended at 9,406.
    - Up by 1,021 over last November.
  - Guest rounds ended at 4,144.
    - Up by 380 over last November.

- Year-to-date rounds ended at 195,058.
  - Down by 14,007 over last year.
  - Members' rounds ended at 123,493.
    - Down by 7,567 over last year.
  - Guest rounds ended at 71,565.
    - Down by 6,440 over last year.

It was encouraging to see November rounds exceed last year's numbers. Despite having to cover the greens at Scotsdale and Brittany earlier this season, the warmer weekend temperatures contributed positively to play volume. Tanyard Creek practice facilities continue to see strong usage even on the cooler days, and The Cave has proven to be a successful addition during cold weather, remaining fully booked.

- Range buckets ended the month year to date at 70,894 (up by 23,714 over the past year)
